All can enjoy "The Gospel of Grace"
For costly prize He paid;
Tears, blood and sacrifice,
All on the altar, He laid.

Suffering servant, shameful death,
Absolute obedience to the Father's will;
Shedding blood, giving up the last breathe,
Atonement paid, righteousness fulfilled,

Glory to God and peace on earth,
Good news for all who've fallen;
Entrusted; not angels - the Great Commission,
But to saved sinners who're willing.

In humble service for the Kingdom,
At home, on land, at sea;
Serving Him through serving others,
Be diligent for His return is near.
